

[Lesson Map](#) | [Next >](#) [Next Lesson Title](#)

Remove instructional text below when creating a lesson.

- Please add lessons in order, according to the lesson map.
- Please include these links at the top and bottom of each page.
- [Lesson Map](#) | [Next >](#) [Next Lesson Title](#)
- Replace 0000 with next lesson number. Refer to lesson map. Format for lesson page names/number is first two characters indicate category, second two numbers are lesson number in that category. Category 4, lesson 6 will be numbered 0406
- Please read [jumpstart](#) before adding lessons. Please understand [TOPS Instructional System](#) before you attempt to write lessons. Read some of the lessons in the first two categories to see the desired lesson size, tone, and method of teaching.

Remove instructional text above when creating a lesson.

Lesson Title

Lesson introduction - what will this lesson teach?

Lesson body. Keep it short. Jumpstart lessons are small and focused.

'code in code tags

Lesson conclusion.
